WORK EXPERIENCE

October 2014 - Present

Freelance Designer, Mana Tea House

Responsible for creating a brand identity. Designed business card, logo, banners, posters, and drink menu.

April 2014 - September 2014

Graphic Design Intern, Ramp Creative

Assisted with Wordpress website by designing pages and customizing templates. Provided visuals for website. Sketched out wireframes and helped create mood boards for inspirational ideas and concepts.

EDUCATION

August 2009 - June 2014

Bachelor of Arts, option in Graphic Design/Visual Communication

California State University, Los Angeles

TypeEd - Los Angeles, CA

March 2014 - Type 1 | The Basics (Course)

A short course learning about the history, classification, and anatomy of typography.

April 2014 - Type 2 | The Necessities (Course)

A short course learning how to set up grids and layouts on InDesign as well as implementing typography discipline.

May 2014 - In the Loop (Workshop)

A workshop that explores crafting script letterforms.

June 2014 - Tables for Two (Workshop)

A workshop learning about the importance of alignment and hierarchy to design a menu that is legible.

DISTINCTION

2013 - 2014

Social Media, GAUGE

They are committed to stimulating and thinking about design through the exchange of ideas and information, collaborations with professionals in the field of design, and fostering a community of support and cooperation benefiting design students. As a member of this student group, I was responsible for creating visuals to support GAUGE and promote upcoming speaker events through social media networks.
